### ACCOMMODATION

Regarding accommodation, our University has a student residences All the necessary information can be found in <https://micampusresidencias.com/cartagena/>

Apart from the residence, students can also rent or share a flat/house in the private market. If students are interested or need private accommodation, they should search for a flat once they are in Cartagena.

In the following link you will find a list of flats to be shared, normally with other students. You can contact them directly : <http://www.cartagena.es/compartepiso/indexCompartir.asp>

In order to help student to find accommodation, the UPCT has created a new service, which includes a map of the city and some advice on how to look for a flat and how to be the perfect flat mate. All the information about this service on the following link: <http://bolsadepisosupct.org/>

Under the following web page your students can find a list of hostels and hotels where they can book to stay during the first days in our city, until they find permanent accommodation:  
<https://turismo.cartagena.es/alojamiento.asp>

The UPCT has also an agreement with The LOOP INN Hostel in Cartagena to offer the best accommodation to our students during their search for a permanent flat. In the attached presentation, you can find more information about this modern and practical building with great facilities that hosts students from all over the world. For more information click on <https://loopinnhostels.com/>

Finally, Erasmus students can benefit from the ERASMUSU group, specially conceived to help international students to settle into a new life abroad. They also offer information about flats around the city, which are trustworthy and adapted to students: [www.erasmusu.com](http://www.erasmusu.com)
