

EUROPEAN BUSINESS MANAGEMENT

21 September - 31 December 2023

EXPERIENCE EUROPE WHILE STUDYING IT!

What you will learn

Our European Business Management programme offers a variety of modules that aim to explore Europe as a multifaceted, dynamic and unique business environment that plays a central role within the global business landscape. During your stay at CBS in Brühl, you can select modules out of different disciplines to enhance and complement your skills in theory and practice.

Acknowledging that working successfully in an international environment also requires excellent intercultural soft skills, German Language and communication skills form another integral part of the programme. Combined, our programme allows for an interdisciplinary and profound study experience within an intercultural context, where you:

- ✓ Learn about the foundations of Europe
- ✓ Learn about the European institutions, policy making and culture and the impact it had and has on national and local governments, society and companies
- ✓ Enhance your knowledge in management, economics and marketing
- ✓ Develop your communication skills and knowledge of English and German

Who we are

The CBS International Business School is a private, state-accredited university and has been awarded top rankings. Our practice-oriented degree programmes teach broad skills within an international perspective.

As a small private university we are able to quickly update our courses in order to adapt to a fast-changing world. This way we ensure that our students are always on top of the latest management trends and highly competitive in the job market.

- ✓ We offer internationally accredited bachelor's and master's degrees
- ✓ Our courses are developed in collaboration with industry and commerce
- ✓ We are located in or close to exciting cities like Cologne, Bonn and Düsseldorf
